Please ensure your dog does not have any fleas, ticks or other parasites by ensuring your treatment regime is up to date.

We reserve the right to refuse admittance to any dog if they show signs of any illness, disease or infestation and are currently taking medication for same. We have a responsibility to all dogs in our care to look after their health and wellbeing as best we can.

If staff become aware of any fleas, ticks or parasites on a dog we reserve the right to treat the dog with an appropriate treatment and the owner will bear the cost of the treatment.

All dogs must be in good health prior to admitting with no known illness within last 30 days. Dogs with stitches and/or open wounds cannot be admitted.

We will administer basic medications only. Your vet's confirmation is required. We need a supply for the day only which must be clearly labelled with type, dog's name and dosage requirements. Please confirm with staff prior to bringing your dog in as well as completing our medication consent form.

We encourage pre booking to ensure space is reserved for your dog. Dogs may be accepted without pre booking if space permits. Bookings can be made by phone during Reception opening hours or email. Reception is open Monday to Friday 7.30am to 5.30pm.

We are open Monday-Friday 7.30am to 6.30pm. We can accept earlier drop off and later collection by prior agreement only. We are closed weekends and Public Holidays.

All dogs must have Registration and Consent forms fully completed prior to admission.

Dogs may be dropped off from opening time providing all registration documents are currently held. Dogs must be collected by 6.20pm. All dogs remain the owner's responsibility until handover is accepted by staff. This is assumed when K9 Day Care lead is attached. Responsibility returns to the owner when K9 Day Care lead is removed from the dog's collar at collection.

We request that owners bring their dog in on a lead and do not remove or let go of the lead until advised by staff. At collection, please walk your dog out on a lead.

Dogs will not be fed during their stay with us. We do, however, give occasional treats. Please advise if there are any treats your dog cannot have.

All dogs have access to clean fresh water at all times.

We may take photos and/or videos of your dog and use these for promotional or other purposes.

We require a minimum of 24 hours' notice if you wish to cancel a booking otherwise a cancellation fee may apply.

We will not open if forecast temperature for the following day is 38 degrees Celsius or above and/or catastrophic conditions are forecast. We use the forecast from the Bureau of Meteorology website.

We will attempt to confirm closure with booked clients and will post closure via Facebook. It is better for your dog's health to remain indoors at home and be kept cool in these conditions.
